"I have done some of my most enjoyable and mentally stimulating work with Ben" -Senior coworker

"I find Ben inspiring because he just comes up with good stuff! No BS, just accuracy in content and attention to detail which is great!" -Senior coworker

"Ben finds the potential in others and creates space for them to thrive. He is genuine and leads with kindness" -Former employee

INTERESTS

EXPERIENCE

CEO | TIDY LINES LLC

November 2021 – Present | Leavenworth, WA

- Freelance web development, copywriting, project management and consulting.
- Currently contracted by Vail Resorts; a Fortune 1000 company. Project, content and contractor management across 37 websites.
- Improved workflow efficiency and reduced issue resolution time by over 30%
- Project Manager for Snow School product launch in 2022. Responsible for leading 15+ teams, using 8 systems, to launch 10,000+ products bringing in \$150m+ annual revenue.
- Lead digital content execution for flagship product launch in March '22.
- Former operational consulting clients include Mt Hood Meadows, OR and Mountain High Resort, CA.
- **Coding examples can be found through my GitHub profile**

Director of Skier Services | Stevens Pass, Vail Resorts

October 2013 – November 2021 | Leavenworth, WA

- Director of operations for departments totaling 400+ employees and over \$4M in direct revenue. Doubled revenue in a 5-year period prior to COVID-19.
- Project manager and SME on development of an industry leading custom ecommerce platform (in 2016-2017) handling \$6M+ annual revenue.
- Created a critical thinking model being deployed companywide (40K employees) to improve decision making and reduce work safety incidents by up to 75%.
- Designed and executed leadership training and employee orientation for all resort staff (800+) and management annually.
- Recognized nationally for my leadership skills and business impact.
